* GHF Introduction

'**Alana's Laugh**' Medium. This waxy blue hosta has nicely ruffled leaves with purple petioles and sometimes some blue in the leaf. The leaves are light and airy and hold their blue color well. **\$15**

*'**Ambrosia**' PPAF Large. Waxy, blue leaves with a light-yellow center, 'Guacamole' sport with very fragrant flowers. **\$10**

'**Aphrodite**' Large. Double flowered form of *H. plantaginea*. **SPECIAL \$6**

'**Big B**' **Limited!** Large. Sturdy, upright rich blue leaves that are heavily puckered. **\$12**

'**Big Bubba**' Very Large. Upright blue green, somewhat unruly leaves that are loosely cupped, folded, and ruffled. Throw in a few puckers and you have a great big good old boy hosta. **\$10**

*'**Bluebird of Happiness**' Medium. This tetraploid seedling features thick leaves with super substance that fold and wave, perhaps reminding you of a bird of paradise. **\$10**

'Brocade' Limited! Medium. This bright and shiny hosta has leaves that are highly ruffled with the petiole pinched at the base of the leaf blade beautifully reflecting sunlight. **\$12**

***'Buttonwood Bay'** Medium. Our very blue hosta reminds me of moving waves, continuously rolling west toward the tropical sunset. Its very blue pointed leaves are tightly ruffled making a neat, symmetric mound. **\$12**

'Charlie Jane' Very Large. Classic rounded blue green leaves make a symmetric mound with proportional near white flowers. **\$12**

'Clear Blue Sky' NEW Medium. Attractive blue hosta that is upright and holds its blue color well. This cross of 'Summer Squall' and 'Fragrant Blue' looks as good in late August as it does in May. **\$15**

'Dandy Lion' Limited! Medium-Large. A sturdy yellow hosta with ruffles and some puckering on its leaves, does not burn in the spring for us here in North Carolina. **\$12**

'Dragon's Dream' Medium. Waxy blue gray leaves that are intensely ruffled have nice white backs. It makes a loose mound of delicate looking foliage. **\$10**

***'First Blush'**^{PP28920} Medium. Green leaves with red petioles and red margins, then entire leaf blushes purplish red. Our first red-leafed hosta is a true breakthrough!

Special 5+ \$12, 20+ \$10

'Flash Freeze' NEW The powder blue leaves of this new introduction from Doug Beilstein are cupped and somewhat puckered and tend to overlap and wrap around their petioles. **\$12**

***'Frost Giant'** Very Large. An upright stately clump of large pointed blue leaves with bright yellow margins. **\$10**

'Gabriel's Wing' Very Large. This bright yellow margined sport of 'Empress Wu' loves some sun to bring out the yellow and blue green contrast of the leaf colors. **\$12**

'Glossy Ruffles' Limited! Large. Its ruffled green leaves are so shiny they look wet, and it grows fast to make a sun tolerant mound. **\$12**

'Gold Elation' NEW Very Large. This yellow seedling from 'Elatior' grows into a tall spreading clump that resists spring burn here in North Carolina. **\$15**

'Golden Falls' Very Large. Upright cascading long-pointed leaves, with many deeply impressed veins flowing down, and tight ripples on the leaf edges. **\$8**

'Hillary' Medium. This medium hosta grabs your attention with the uniquely shaped leaves that are rounded, domed, and have prominent veins. Additionally, this seedling from Charlie Kwick keeps its yellow color all summer long. **Closeout \$8**

'I Dream of Jeanne' Large. Classic bright golden heart-shaped leaves with light waves and impressive blooms of flowers. **Closeout \$8**

'Jane's Blush' Medium. Nice dark blue hosta that may blush some purple on the tops of its leaves in cool spring weather, more reliably in the North. **\$10**

'Jasmine' Large. Probably tetraploid, the very shiny thick green leaves with prominent veins are topped in late summer with very fragrant flowers that smell like Jasmine. **\$12**

'Jaws' Medium. Spear shaped tightly ruffled, almost toothed green leaves make an imposing clump that grows quickly. **\$10**

'Kim' Large. This hosta has very round waxy light blue leaves that create a very round upright clump. **\$9**

'Lady Peyton' Medium. This upright hosta has folded "one of a kind" lime green leaves that have heavy substance. **Closeout \$8**

'Lord Puckersheen' NEW Large. This unusual hosta has blue green leaves that are both shiny and irregularly puckered. **\$18**

'Megan's Angel' Very Large. A vigorous sport of 'Blue Angel' with bright yellow margins. **\$8**

'Miss Mykah' Medium. This dark green centered sport of 'Golden Friendship' has excellent substance and great color. **\$10**

***'Orange Marmalade'**^{PP16742} Medium. Blue leaves with a yellow center that turns orange in May. **\$10**

***'Peace and Quiet'** Medium. Sport of 'Pandemonium' with creamy white margins. Scapes are dark purple and filled with light purple flowers. **Closeout \$8**

'Quicksand' Medium. The arching ruffled pointed green leaves have yellow margins. A unique, and vigorous hosta from Doug Beilstein. **\$10**

'Riverboat Queen' Very large. Massive heart shaped 21-inch leaves that are puckered with folded ridges. **\$10**

***'Rough Lemon' Limited!** Medium. Unique leaf shape with brilliant red petioles. Gorgeous yellow spring color and fast-growing habit. **\$15**

'Rowan my Boat' Limited! Medium. Puckered waxy blue leaves that are folded into petite kayaks. **\$8**

'Skywriter' Medium. Highly ruffled blue leaves stretch to a narrow point with their white leaf backs and purple petioles visible in a gentle breeze. **\$12**

'Smash Hit' Limited! This sport of 'Orange Marmalade' has a wide dark blue margin and a similar yellow leaf center that will become orange in May. **\$12**

'Speakeasy' NEW! Large. This sport of 'Powder Blue' has very blue waxy rounded leaves with a rich yellow margin that becomes cream in the summer. **\$15**

***'Sun Worshiper'** Medium. Fast growing hosta that holds its yellow color very well through the season. **\$8**

***'Sunny Day' Limited!** Medium. Vibrant yellow upright hosta with rich purple petioles up into the leaf blade. **\$12**

'Talking Point' Medium. Long pointed blue leaves create an arching mound. A conversation piece. **\$12**

***'Tom Terrific' Limited!** Large. A very upright yellow hosta with rounded leaves and rich purple petioles that are highly visible. Makes an impressive specimen clump. **\$12**

'Trophy Wife' NEW Very Large. This hosta emerges very bright yellow, shining like copper in the springtime sunshine. It will become greener in summer but will grow to become a very tall, upright clump. **\$15**

***'Twice as Nice'** Medium to Large. This tetraploid form of 'Ambrosia' is 'Twice as Nice'. Yes, it is a little smaller and more compact but also has more substance and richer wide blue margins and a bright yellow leaf center. The flowers are fragrant, of course. **\$15**

***'Windy City' Limited!** Very Large. Maybe the best of the very large, white-margined round leafed sports from the 'Sum and Substance' line. The light green leaves are larger than dinner plates with a wide white margin. **\$15**

Miniature and Small Hosta Availability for March 2023

Minimum 5 each per cultivar

3" pots, flats of 20 or shipped bare root.

[*GHF Introduction](#)

'Appletini' Small. Classic shiny apple green heart shaped leaves make a small flat mound. **\$8**

'Baby Blue Eyes' Small. Dark blue heart shaped leaves make a dense flat mound. **\$8**

'Crumb Cake' Limited! Mini. Round small, shiny rich gold leaves have a unique look. **\$10**

'Hawaiian Luau' Small. Tetraploid form of 'Pineapple Upsidedown Cake' with a wider green margin on its narrow leaves. **\$10**

***'Hide and Seek'** Mini. Comes up pure white and turns green just in time for the summer heat. **\$10**

'Little Devil' Mini. Green pointed leaves have a narrow bright white margin, making a flat mound. **\$8**

'Little Squirt' Limited! Mini. This little hosta grows quickly into a compact clump with long narrow leaves on short petioles. Slightly folded and ruffled green leaves make this clump look like a pin cushion. The white flowers on short scapes are perfectly proportioned. **\$10**

'Out of the Fog' Mini. White flecks and streaks on light green pointed leaves that are also folded and slightly wavy. **\$10**

'Silver Twist' Small. From 'Tortifrons' heritage, these long, lance shaped leaves are blue green with a silver gleam of white wax and a slight twist. **\$10**

'Twinkle Little Star' Mini. A flat mound of wavy very blue foliage that is folded into star-shaped points. Makes a dense clump. **\$10**

***'Twist Tie'** Small. Spiky twisted blue leaves that have very good substance. One of the last hostas to go to sleep in the fall. Very fun. **\$8**

'Wave Motion' NEW Small. It is a solid green hosta with light and airy long-pointed leaves that wave in the breeze. The leaf margins flow down to the leaf tip that ends in a complete twist. **\$14**

'Yippee' Limited! Mini. Narrow leaves with white margins that are held upright Grows well. Cute! **\$10**

We do have small quantities of many of our other hostas available at wholesale prices, just ask!
