**Green Hill Hostas Sale Dates**

Green Hill Hostas invites you to visit the nursery on one of our special sale dates.

The nursery is located at:

**66 Cody's Way, Franklinton, North Carolina 27525.**

Franklinton is a small town that is a few miles north of Raleigh, NC.

The sale dates for 2027 are not yet known, but when they become available they will be posted here. Most years the sale dates are decided sometime in March, and the sales take place later that Spring or Summer.

You will enjoy coming to one (or more!) of the sales and quite possibly bring home a beautiful hosta purchased at a very attractive price.
